[redacted] Comments.

- (1) These trains are probably the first trains to have carried recruits to eastern Germany. As in 1951, the [redacted] were assigned to troop trains carrying personnel.
- (2) The shipment from Boetzow to Schwerin was probably a shipment of the 31st AAA Div of the Second Jds Recz Army dispatched to Austrow. On 16 and 17 July, one shipment each was dispatched in the opposite direction. [redacted] Another [redacted] train [redacted] was dispatched to Brandenburg. It is believed that the train carried elements of the 6th Arty Div.
- (3) The railroad cars requested were probably to carry Volkspolizei personnel from Laender Thuringia and Saxony-Anhalt to the AAA school in Pinnow.
- (4) During the period from mid-March to 10 June, a daily average of 500 to 600 men went on leave to the U.S.S.R. After dropping to a daily average of 200 in the second half of June, the number of soldiers going on leave again increased to upward of 300 men by mid-July. After 10 June, the daily average of soldiers returning from leave in the U.S.S.R. decreased from 560 to 360 men. [redacted]
